

Calling all artists! USCB Center for the Arts invites all visual artists 18 and older living in Beaufort County to be part of an incredible art show this fall entitled “Art Speaks.” The exhibit will be on display in the USCB Center for the Arts gallery beginning September 3 through November 2, 2020.

“Art Speaks” will be a special juried exhibit showcasing new works of art created during the COVID-19 pandemic. We want to highlight and celebrate your creative responses to the pandemic through any 2D, 3D or photography art medium (no giclees, craft kits, videos or performance art).

How has this time affected you and your art? Were you inspired express your emotions through your art? The theme does not have to be COVID related – only *created* between February 1, 2020 and July 30, 2020.

Images should be submitted to bhargrov@uscb.edu by 5 pm on August 6, 2020.

For more details and to register go to <https://www.uscbcenterforthearts.com/>.

If additional information is needed call 843-521-3135.

We're excited to see your creations! Thanks for staying **CENTERED** with the Arts!
