Flute is a featured instrument in the upcoming concert by Chamber Music Hilton Head.

Beethoven's Serenade for Flute, Violin & Viola is followed by the short, evocative Winter Spirits for solo flute by American composer Katherine Hoover. The concert concludes with Dvorak's colorful Terzetto for 2 Violin & Viola. In addition to its regular Monday performance at All Saints Episcopal Church, CMHH will present the same music at an "exploratory" concert Sunday evening at Lowcountry Presbyterian Church in Bluffton.
